Train & Co's Line.

ENOCH TRAIN & CO., Proprietors of the Boston and Liverpool Line of Packets, hereby give notice that they have made extensive arrangements with the Western Rail Road Corporations, in connection with the Rail Roads in the Western States, and Steamboats on the Lakes, for the forwarding of *pre-paid passengers* from Boston to the Canadas and Western States; and are now selling at their office in Boston, and at their *authorized agencies, pre paid certificates of passage* as follows:

Children under twelve years of age at the time of embarkation, five dollars less than the above; and infants under twelve months thirteen dollars less than the above named prices, to Boston or Albany, and other places in proportion; but we will not issue a pre-paid certificate for children under twelve years of age, unless accompanied by a passenger over twelve years, who must be paid for at the same time and on the same certificate.

The above prices embrace a steerage passage from Liverpool to Boston, by any of our Splendid Line of Packets; provisions at sea according to the undermentioned dietary scale; doctor's attendance and medicine on board when required; port charges at Boston, and all expenses of transportation of passengers and baggage from the ship at Boston, to the destination agreed upon.

In addition to any provisions which the passengers may themselves bring, the following quantities, at least, of water and provisions will be supplied to each steerage passenger of twelve years of age and over, every week during the passage, commencing on the day of sailing, and at least three quarts of water per day:

Two oz. of Tea; 8 oz. of Sugar; 5 lbs. of Oatmeal; 2½ lbs may bread; 1 lb. wheat flour; 2 lbs rice.

Children under twelve years of age (not including infants,) are furnished with six pounds of bread stuffs per week, the usual allowance of water, and half allowance of Tea and Sugar.

As soon as our Liverpool House informs us per steamer of the names of *pre-paid* passengers embarked, we publish their names in the *Boston Price*, and also notify each purchaser of *pre-paid certificates*, either directly or through our agents.

On the arrival of any of our ships in the outer harbor, we immediately dispatch an agent on board, to give prepaid passengers the necessary instructions regarding their route westward.

Bedding and utensils for eating and drinking, must be provided by passengers; and those going to the Canadas, or Western States, must furnish their own provisions from Boston.

TRAIN & CO., of Boston, inform those who take an interest in the welfare of Immigrants, that as owners of the COLLINGWOOD and BOSTON LINE of PACKETS, they have determined that their Immigration business shall be conducted in their own name, on their own responsibility, and by themselves and their immediate servants. In calling public attention to the subjoined list of the Ships which comprise our Boston Line of Packets, we believe that its general reputation as *the fleet of American Liners* is sufficiently well established, in part, by the Thousands of Letters which have been sent by American Immigrants to their friends in every part of Europe, have done more to give confidence to the usual fastness made by those Ships, and to the superior Health, Comfort and Safety which their Passengers have hitherto enjoyed. Many of them will be recognized as vessels which have gained the very highest character, by a succession of unusual rapid passages.

Packet Ships which are dispatched in this LINE:

Train & Co., Packet Agents, No. 5 India Buildings, Water St., Liverpool, Eng.

Train & Co's Passage Office, Nos. 118 & 119, Waterloo Road, Liverpool, Eng.

Train & Co., No. 121 St. Patrick Street, Cork, Ireland.

These magnificent Ships are ALL AMERICAN BUILT and constructed expressly for Packets. They are all new and of the FIRST Class, being built on the most improved principles and of the best materials. They possess all the modern improvements which conduce to health and comfort, as regards system of lighting and ventilating, the very best Provisions, and a careful medical superintendence.

The Captains have been carefully selected as first-rate navigators and men of humanity, and no experienced Surgeon is attached to each Ship, and no expense is spared to render this the best and most popular conveyance to America. As Train & Co have made such arrangements in Liverpool as will PROTECT their friends from the frauds and impositions sometimes practiced there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favorable terms, for a well known Line of Magnificent Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with Agents who are but slightly connected with transient Ships.

As a proof that their Immigration business is conducted on principles uniformly humane, and that those whom they have been distinguished for the most exact fulfilment of all their engagements, we are permitted to refer to the very Rev. THEOBALD MATHEW, Cork, Ireland.

The following testimonial from the Right Reverend JOHN BERNARD FITZPATRICK, D. D., Bishop, Cathedral, Boston.

Washington, Jan. 27.

SENATE—Message received from President, in reply to resolution of Mr. Cass, as to character of Mr. Bedini's mission. Correspondence shows that, on his way to Brazil, he was desired to call on the President and deliver a letter of congratulation, and expression of the Pope's kindly feelings towards the U. S. The following is the Pope's letter:

PIUS IX TO THE PRESIDENT OF THE U. S.:—

Illustrious and Honored Sir—

Greeting, &c.: Our venerable brother Cajetano, Archbishop of Thebes, accredited as our Envoy in ordinary and Nuncio of the Apostolic See near the Court of Brazil, has been directed by us to visit the regions of the U. S. We have at the same time charged him to present himself in our name before your Excellency and deliver into your hands these our letters, together with salutations expressing to you in warmest language, the sentiments we entertain towards you as he will testify. We take it for granted that these friendly demonstrations will be acceptable to you and least of all do we doubt but that our affectionate and venerable brother, a man distinguished for sterling qualities of mind and heart, will be kindly received by your Excellency and as we have been entrusted by a divine commission with the care of the Lord's flocks throughout all the world, we cannot allow this opportunity to pass without earnestly entreating you to extend your protection to Catholic inhabitants and their religion and shield them at all times with your power and authority.—Feeling certain that your Excellency will very willingly accede to our wishes and grant our request, we offer up our humble supplication to Almighty God that he may bestow upon you, illustrious and honored sir, the gifts of his Heavenly grace: that He may shower upon you every kind of blessing and unite us in bonds of Peace and Charity.

Given at Rome from the Vatican, March 31st 1853, the seventh year of our Pontificate.

Signed PIUS IX.

His excellency, the President of the U. S. of America.

From Vienna it is stated authentically that Austria had asked Czar if he would consent to their protection over Circassia and Turkey. Czar replied that he would consent *to no interference whatever between himself and Turkey.*

Little doing along Danube owing to weather. Three slight affairs had taken place, in all of which Turks were successful. Nothing later from Asia. Russia has warned her shipping not to venture out of port unless under convoy.

Insurrection has broken out among the peasantry of Wallachia. It is reported that the British Minister has re-opened negotiations with Persia. The Persians have broken out in tumults against Russia.

PROSPECTUS OF

Thos. H. Benton's Great Work.

THIRTY YEAR'S VIEW, of the workings of the American Government. Published by D. Appleton & Co., New York, and sold exclusively by subscription.

During the last thirty years there has been no important public measure, in which this active and distinguished statesman has not taken a conspicuous part, and been familiar with the influences, whether secret or public, which have urged forward or opposed each. He is therefore well qualified to write the history of the period.

This work will be comprised in two volumes, the first of which will be published early in the year 1854, and will be brought down to the close of the administration of General Jackson, and will thus form a complete work by itself, containing about 700 double columns, royal 8 vo. pages, and a superbly engraved portrait of, Senator Benton.

Price $2[illegible], payable on delivery of the book.

The book of subscription is together with specimen sheets, can be found at the law office of Messrs. TUCKER & GARVEY; and the Agent will soon give an opportunity to persons desirous of subscribing to do so at their residences and places of business throughout the city and country. dec22

ST. LOUIS TESTIMONY.—OATH BEFORE THE MAYOR.

State of Missouri, County of St. Louis, ss.

BE IT REMEMBERED, that on this fifth day of May, A. D. 1852, before me, the undersigned, Mayor of the city of St. Louis, in the county and state aforesaid, came personally Daniel M. Stoughter, who upon his oath says that the following statement is true.

In testimony whereof I hereto set my hand the day and date last aforesaid. JOHN HOW, Mayor.

Test: NEWTON, Register.

ST. LOUIS, MO., May 5, 1853.

DR. A. G. BRAGG, & CO.—Gents:—You will probably recollect that I called into your establishment some three weeks since and purchased a fifty cent bottle of your *"Mexican Mustang Liniment."* My object in doing so was to try an ointment upon my daughter's arm, who has been suffering from the effects of a severe dislocation of the elbow for several years past.

The excruciating pain consequent upon a false setting of the bone had rendered and contracted her arm to a puny size, and I considered it a duty devolving upon me to acquaint the community of the beneficial effect your Liniment has produced.

Her arm was drawn to a right angle, and was almost inert and senseless until your invaluable Liniment was applied, since which time I am happy to state she has enjoyed unusual good strength, and can use her arm nearly as pliantly as before it was dislocated.

I would state, however, that prior to trying your unequalled Liniment, I used several other remedies but without the least beneficial result. D. M. SMYTHE.

STILL MORE EXTRAORDINARY!

READ! READ!! READ!!!

ST. LOUIS, Mo.

MR. FERROW:—As a matter of great importance to the afflicted, I wish to make the following statement:—About six years ago, my wife was attacked with a slight stroke of rheumatism. The whole of her right side and limbs were partially paralyzed. A doctor was called, who bled her copiously at the right arm, which relieved her, and she had no more symptoms of paralysis, until the fall, when the right arm gradually became weak and powerless. Both limbs and the whole of her right side soon became perfectly prostrated, and all voluntary motion was entirely suspended. She was bed-ridden, but without any relief. Even her tongue became paralyzed, so that she could not, at times, speak so as to be understood. She had a brother, Thos. Cargo, a boy fourteen years old, who had some time previously been cured of a very severe attack of the same disease, by the use of three bottles of the MUSTANG LINIMENT, and we determined to try it in her case, as she had been under the treatment of doctors for several months, without any apparent benefit. I obtained one bottle, and commenced rubbing the whole affected side and limbs.—The effect was truly astonishing. In less than a month every symptom of the disease had disappeared. She can use her limbs as freely as ever, and no impediment whatever exists in her articulation. In fact she is perfectly cured; and we bless the day we were induced to use the invaluable Liniment. EDWARD UPMEYER.

PRICES OF THE LINIMENT.—It is put up in bottles of three sizes, and retains at 25 cents, 50 cents and $1 per bottle. The 50 cent and $1 bottle contain fifty and one hundred per cent. more liniment, in proportion to their cost as that money is saved by buying the larger size.

The Greatest Discovery of the Age.

PROFESSOR WOOD OFFERS FOR SALE A perfect HAIR RESTORATIVE. It will in a short time restore the Hair which has become gray permanently to its original color—bring it out where it is gone, and arrest it where it is fall out off—clean the head of the dandruff and itching—removes all cutaneous eruptions, and renders the scalp perfectly healthy by rendering the secretory organs to their original vigor and strength, and thus supply nutriment and coloring matter to it. It does not color the hair, but is, in short, a perfect Hair Invigorator and Tonic—in proof of which he will select from among the many the following Certificates, viz:—

STATE OF ILLINOIS, CARLYLE, June 27th, 1853.

I have used Prof. O. J. Wood's Hair Restorative, and have obtained as wonderful effect. My hair was becoming so thoroughly, prematurely gray, but by the use of his "Restorative" it has resumed its original color, and I have no doubt permanently so. SIDNEY BREESE,
Ex-Senator United States.

VINCENNE, Ind., June 15, 1852.

Prof. O. J. Wood—Dear Sir:—As you are about to manufacture extensively and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that I have for several years been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any either I know. It entirely cleanses the head of dandruff, and with one month's proper use, will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance, and all this without discoloring either the hands which apply it, or the dress on which it drops. I would, therefore, recommend it to every one desirous of having a fine color and texture to hair. WILSON KING.

ST. LOUIS, June 29, 1853.

Prof. Wood—Dear Sir:—As you are about to prepare and vend your recently discovered Hair Restorative, and at your request my opinion of it, I will state that my hair was, a few months since, very gray, and after using two bottles of your Hair Restorative it assumed its original color; and since its application all dandruff has disappeared from my head, and I have been troubled with no disagreeable itching of the scalp. I am satisfied that those who use it will find it, as it gave the hair not only its original color, but it gives it the appearance of having been recently oiled. I am prepared, therefore, to recommend its use to all who are desirous of having a beautiful head of hair.

H. L. STEWART.

The following certificates speak for themselves, as the gentlemen whose signatures are attached, are known to thousands:—

ST. LOUIS, September 20, 1853.

Dr. O. J. Wood—Sir:—I have used nearly two bottles of your Hair Restorative, and have found its effects very satisfactory. It has entirely destroyed all dandruff from my head and has restored my hair to its original color, which had become quite gray. WM. TRUESDAIL.

St. Louis, September 29, 1853.

Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it, by procuring, to my great satisfaction, that my friend's hair, which, when I saw him before, was very gray, had been completely restored to its original color, having as fine a glossy appearance as it had when I knew him twenty years ago.

I commenced using the Restorative about five weeks since, and am perfectly convinced that it will produce the result stated, it having restored the color of my hair, more than half of which was white, to precisely the same it was when I was twenty years old, with the same beautiful and glossy appearance. I have no hesitation in recommending it to my friends and the public generally, believing that if used according to directions they will not be disappointed. Yours, very respectfully,

N. S. HOLMAN.

BLISSFIELD, June 10, 1853.

PROF. WOOD—Dear Sir: Since you request me to give you a statement of the effects of your wonderful Restorative upon me, I cheerfully state, in reply, that I have now used three bottles of it, and although my hair when I commenced its use was nativery white (my age being sixty-four,) in one month's time it had assumed precisely its original color and appearance that my friends all thought I looked twenty years younger than usual, and scarcely a week passed by of which they considered a perfect miracle, until I informed them it was but the result of an ention of yours called Hair Restorative. I will also state that I was much troubled with dandruff and itching, particularly when in perspiration; but it only required three or four applications to remove all dandruff and itching; and although my hair had taken a fall when I was somewhat ill, I now have as fine a head of hair, both in color, soft ness and lustre, as I had when I was a youth, and quite as abundant. It is proper for me to state that I took restored its use in August last, and used none since January. I have no doubt therefore but what the change is a permanent one; I can therefore recommend it as the most wonderful discovery of the age in which we live. E. M. RANDALL.

Extract of a letter from R. Thorn, Sheriff of La Salle county, Illinois.

OTTAWA, Ill., August 21, 1853.

PROF. O. J. WOOD—DEAR SIR:—Yours of June 21st, accompanied by a bottle of your Hair Restorative, was received in my absence, and on returning home I found it had entirely restored me hair to its natural youthful color—There is considerable inquiry for the article, &c.

Very respectfully yours, R. THORN.
